# Academic Semester & Academic Year Programs

The Academic Semester & Academic Year English Programs are designed for long-term students with the goal of making major improvements in their English proficiency. You may choose between the Intensive English or Super Intensive English course schedule for the length of your program.

These programs will allow you to fully immerse yourself in the American culture and lifestyle of your desired location. Whether you are studying in sunny South Florida, in a vibrant city or on a university campus, you will see your English improve dramatically as you use it in everyday situations and on school activities.

Advanced academic levels are ideal for students seeking to continue their studies in a university environment. Many TALK university partners accept our Level 9 in place of a TOEFL or IELTS requirement.

- **The Intensive and Super Intensive English Courses offer 10 levels from Beginner to Fluency with Levels 7 through 10 providing academic focus**
- **A student visa is required for both courses**
- **Classes are held Monday through Friday throughout the year**
- **Students may begin on any of the listed start dates**
- **Each unit is 45 minutes long**
- **Class Size: Maximum of 15 students (average of 12)**
